

1 MAKE IT

Cut a piece of
chipboard (cereal box)
Add diagonal lines and
vertical lines using the
template

2 LAUNCH IT

Mission Control: Unfold the hopper
until it's flat.

Launcher: Lay the ruler down on top.

Mission Control: Count down
“3-2-1-LAUNCH!”

Launcher: When it's launch time,
SLIDE the ruler off! (rather than lift it
off)
